Together at Home

Hello JA families! Today in class we learned about the responsibilities of being part of a community. We made a list of problems we saw that we could get involved with to try to help create change as responsible community members.

Watch this video to explore ways to help your student connect their learning at school to home.

Poster for Change

As a family, take a walk around your neighborhood and see if you can find some problems. Make a list of the problems you see. Make a poster to make neighbors aware of the problem.

Use this space to plan your poster.
